Other Student Opportunities to Be in the Yearbook

Teams and clubs generally have a group photo taken that is included in the yearbook. The coaches and club advisors are responsible for communicating the dates of these photos to their groups. We include a caption with student names. For larger groups—JROTC, band, etc.—we will include a roster that is not keyed to the students' positions in the photos. *We cannot guarantee the inclusion of any group photo that cannot be taken in a timely manner or that postpones an appointment with the school photographer.*

Right of Refusal

The Yearbook staff and/or advisor reserve the right to refuse to publish any photos, text, or ads which are inappropriate for the yearbook. Items displaying or referencing gang affiliation, liquor, tobacco, or drugs or are sexually explicit will be automatically excluded.
